

**2010-2011 Horry County Schools' Technology Fair
Project Submission Worksheet**

Participant Name _____

Grade _____ School _____

Team Member(s) name (if applicable) _____

Teacher/Sponsor: _____

Every student must have a teacher/sponsor who will be able to attend the day of the technology fair to provide adult supervision.

Project Category: _____

Briefly describe your project (Please use additional pages as necessary)

What programs/applications did you use to create your project? (Please use additional pages as necessary)

The Horry County Technology Fair adheres to the Copyright Laws of the United States. Participants are required to list and show permissive use of all non-participant created content, including text, images, audio, and video content. Student use of copyrighted material should not be a substitute for creative effort. Participants will list ALL non-student produced materials used in the project including where permission was obtained. Attach any written permissions to this form.

I certify that this project is the result primarily of the student's own efforts. (check the box)

Teacher/Sponsor: _____
