Report of Principal and School Improvement Council

The year 2008-09 was an outstanding year at St. James Elementary. We have found students eager to perform in areas of academic and personal excellence: 40 students qualified for the Duke Tip Program; 25 students qualified for Johns Hopkins Talent Search Program; 39 students received the Silver President’s Education Award; and 38 students received the Gold President’s Education Award. We continue to expand our programs in technology, instruction, and assessment. Our teachers challenge students as well as themselves. Our teachers continue to excel by integrating technology in their lessons. Some of our programs include after-school fine arts and service learning projects through organized student groups. We also chartered our first year of National Honor Society for Elementary Students. Lesa Carlisle was our Teacher of the Year. St. James Elementary sponsored a trip to Florida to study the manatees and their habitat. Other opportunities for students included Dolphin Council, Library Assistants, and Winter Youth Basketball. The PTA sponsored Fall Festival and sold discount cards to finance school improvement to our Fine Arts Department and to purchase additional classroom materials. St. James Elementary continues to be a vital part of a vigorous and growing community. Mary Beth Heath, Principal; John A. Glover, SIC Chairman
