

Welcome back Teachers. I hope you have enjoyed your summer and had a great Labor Day weekend.

It's time to sign up your classes for the *E-Sun News* subscription for the Fall Semester. Each teacher is encouraged to donate an initial \$20.00 to the program in order to jumpstart their subscription.

Follow this link to take you to the NIE website. <http://nie.myrtlebeachonline.com/>

If you need assistance in registering your classes for this year you can contact me at 843-626-0247 or [snie@thesunnews.com](mailto:snie@thesunnews.com)

### About *The Sun News* in Education Program:

*The Sun News* in Education is a cooperative effort of newspapers and local schools designed to enhance learning through the use of the newspaper and to promote literacy. This readership program encourages students to use the most current textbook around and to think and analyze current events in the world around them. Specific NIE activity guides help teachers use the newspaper to enhance their lessons and meet state standards. Special supplements and training opportunities are also available. NIE is available to elementary, middle and high schools and can be integrated into every subject area (ie. math, science, language arts, history, music, etc.)

Classroom newspaper licenses are sponsored by local businesses, organizations, and individuals. Each teacher is encouraged to donate an initial \$20.00 to the program in order to jumpstart their subscription. Meanwhile sponsors are found to fund the yearly class subscription.

### **E-Sun News in Education is**

**Educational.** Your E-Sun News in Education subscription includes other free educational content, such as online lesson plans and educational links.

**Efficient.** One order provides access to E-Sun News seven days a week and to every Sun News in Education program offered for one year.

**Easy to Use.** Search by key words and project/print what's applicable to your lesson plans. Once student supplements and teacher guides are put online, they're available to you through the end of the year.

**Edgy.** E-Sun News reaches students where they live – in an increasingly digital world.

I look forward to working with you this year. Please don't hesitate to contact me if you have any questions.
