## Report of Principal and School Improvement Council

The year 2009-2010 was another outstanding year at St. James Elementary. The school's commitment to academic and personal excellence was exemplified by eight students qualifying for the Johns Hopkins Talent Search Program and 58 students qualifying for the Duke TIP Scholars program. Our National Honor Society has grown to 53 students in its second year. Our school was a runner up in the Disney Planet Challenge. Jessica Perry was named Teacher of the Year. Progressive learning opportunities included a trip to Florida to study the manatees and a Governmental Field Trip to Columbia. Recognizing the important role of technology in our school, District funds will add interactive whiteboards for all classrooms beginning 2010-2011 school year. Our PTA raised enough money to purchase document cameras for all classrooms as well. New and continued development opportunities for students included SJE Reads, in-school tutorial, Dolphin Council, Library Assistants, and Winter Youth Basketball. We strengthened our relationship with the community through Jump Rope for Heart, Relay for Life, pencil sales for the American Red Cross Disaster Relief Fund, and Hearts and Shoes for Haiti. St. James Elementary continues to give students profound opportunities for building life skills, achieving high levels of learning and creating a future of excellence.
