Principal's Message

Kristin Altman

Hi Seahawks,

The Third Quarter ends on March 25. Third Quarter grades count as 40% of students' final averages, so it is imperative that students have completed all necessary coursework. Additionally, if students are struggling with content, they should attend after-school tutoring and ensure open communication with their teachers. We also over attendance recovery on Tuesdays and Thursdays from 3:30-4:30 pm in the library. If a student has already missed more than five days in a one credit course, he/she must begin recovering his/her attendance now. Per State Policy, absences beyond five days will result in loss of credit, even with a passing average. If students have any questions, they should speak with their school counselor and/or grade level administrator.

We have another great week ahead! Stay focused, Hawks!
