

The Advanced Placement International Diploma

is a credential that allows students to demonstrate outstanding academic achievement on AP exams across several disciplines. The International Diploma is not a substitute for the high school diploma; rather, it is an optional certificate available to Myrtle Beach High School students who wish to demonstrate academic excellence on an international level.

To earn an AP International Diploma a student must meet the following criteria:

1) Earn passing scores of 3 or higher on at least five AP exams.

These must include:

A) English

B) A world language

C) AP MicroEconomics, or AP Human Geography

D) One math or science

E) One additional exam from any content area except English and world languages

2) Send at least one AP Grade Report to a university outside the United States.
