

Superintendent's Reading Honor Roll

Dear Reading Honor Roll Participant:

I'm glad that you have decided to join the Superintendent's Reading Honor Roll. By committing to reading this year, you're participating in a great journey of discovery. Reading is a fun and exciting way to see places you've never visited or learn about things you would like to know.

Every student who reads between 20 and 40 books this school year, depending on his/her grade level, and who completes the enclosed reading log will become a member of the Superintendent's Reading Honor Roll. With this honor, you will receive a certificate from the Superintendent and the honor of having your name included among other students who complete the challenge.

Follow these simple steps to participate in the Superintendent's Reading Honor Roll:

- Ask your teacher or library media specialist how many books are required for your grade level.
- Ask a parent to read this letter and approve your participation in the program.
- Select a book you want to read. If you need help selecting a book, ask your library media specialist for assistance.
- Record the book title on the reading log and have a parent or teacher sign the log to verify that you have read the book.
- After finishing one book, select the next and follow the same steps outlined above.
- After you have read your required number of books, turn in the completed reading log to your teacher or library media specialist.
- Your Superintendent's Reading Honor Roll certificate will be sent to you in May.

I hope you choose to complete this challenge. I want to share with you the value and power of good books, as the pleasure of reading lasts a lifetime.

Happy Reading!
