

Non-Prescription (OTC) Medication Permission for School Administration

This form must be completed and signed by the child's parent or legal guardian.

Please note the following:

1. Medication must be brought to school by a responsible adult. (Do not send medication with a child.)
2. Medication should be given to students before or after school by the legal guardian, when possible.
3. Non-Prescription also known as *Over the Counter (OTC)* medications may only be given within the limits and according to the instructions printed on the container or the package insert.
4. Medication must be in the unopened, original container with manufactures label.
5. Starting doses of a medication that a child has never taken before should not be given first at school.
6. This form will apply if the child transfers to another school within HCS district.
7. HCS district may reject requests for certain medications to be given at school.

Please complete a separate form for each medication that is to be given at school.

If the medication is to be given to more than one of your children, please complete a separate form for each child.
