December 14 ACT	14 NO WORKSHOP	ACT Workshop 7: English and Math
December 14 ACT	14 NO WORKSHOP	

Each workshop will be unique and allow for focused instruction, strategy, and practice with new test questions each time. The sessions are scheduled to prepare students for each of the upcoming tests based on each test's specific schedule. Students will need to sign up for SAT and ACT tests at either www.collegeboard.org or at www.act.org. Registration for a test is not required for a student to attend the prep sessions. Students taking the PSAT in the fall may also consider taking the prep classes. Sessions are open to Saint James High School students in grades 9-12.

Each session will cost \$10. The sessions will take place on Saturday mornings in D134, Mrs. Frick's classroom. Students are asked to bring their chrome book, charger, calculator, and a pencil for each session. Snacks will be provided. Students can enter the classroom by parking behind the school near the practice fields on the parent drop off loop.

Any questions or concerns: contact Mrs. Frick gfrick@g.horrycountyschools.net
