Home of the Trojans!

Academic Opportunities

Green Sea Floyds High School serves students in grades 6-12, providing a reduced teacher-student ratio and fostering positive relationships with students. GSFHS has increased its Advanced Placement (AP) offerings to include AP English Language, AP English Literature, AP Calculus, AP Statistics, AP Human Geography, AP European History, and AP US History. There are two Career and Technology Education (CTE) programs at GSFHS—Information Business Management and Horticulture—where students may obtain CTE completer status. In addition, we offer Science, Technology Engineering, and Mathematics (STEM) courses. We also offer Project Lead the Way (PLTW) in Engineering and Biomedical Science. Additionally, GSFHS provides the opportunity to take dual-enrollment courses, college prep courses, honors courses, and world language courses.

Entrance Requirements

Green Sea Floyds High School does not have an application process. Students not living in the Green Sea Floyds High School attendance area may apply to attend GSFHS for the 2024-2025 school year by requesting a waiver through the HCS Office of Student Affairs.

South Carolina

High Schools That Work

GSFHS is a participant of the High Schools that Work Program. Our GSFHS community emphasizes teachers as facilitators and students as actively engaged learners.

Green Sea Floyds High School

Mission Statement

Our vision is to promote a school culture of strong, positive connections where all students achieve Greatness, our staff understands the responsibility of Service, and our environment embodies a Family atmosphere. The GSF standard will provide a first-class educational experience that will give all students opportunities for success.

Additional Information:

Green Sea Floyds High School offers a rich environment for those seeking excellence in academics, athletics, and fine arts. The vision of GSFHS is to partner with parents and the community to develop young men and women who demonstrate excellence in the development of their education and character, thus seeking ways to serve our school and community. GSFHS is a participant in the High Schools that Work Program. Our GSFHS community emphasizes the importance of providing a first-class educational experience by promoting Greatness, Service, and Family.
