Parent and Family Engagement Policy & School-Parent Compact

Each Title I school is required to ask for input from parents regarding the development of a Parent and Family Engagement Policy and a School-Parent Compact. The Parent and Family Engagement Policy explains how the school intends to involve parents and improve Parent Programs. The Parenting Policy also explains how parents may participate in the Parenting Programs.

The School-Parent Compact outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the way in which the school and parents will build and develop a partnership to help children achieve the State’s High Standards. The Policy and Compact are distributed to all parents of the students in a Title 1 school at the beginning of the school year. Please contact your child’s school if you have suggestions regarding the Parenting Policy or Compact.

Title I legislation requires schools to utilize a portion of their Title I funds to support parent and family engagement. Parents should contact the school principal with any comments or suggestions regarding the School’s Parent and Family Engagement Activities.
