Certify Your Workforce

We can help your employees earn the **WIN National Readiness Certificate**, a portable, evidence-based credential that certifies essential skills needed for workplace success.

Enhance Your Current Employees' Skills

We'll take your employees to the next level of education and training, from earning a **high school credential** or **improving English language skills** to **strengthening technology abilities** and **occupation-specific skills**.

Increase Quality Applicant Pool

Partner with us to give our adult education students **real-world, hands-on, simulated experiences** which represent the duties they will perform on the job or experience on a daily basis. We can help screen your applicant pool!

Prepare Potential Employees for the Workforce

Our training, curriculum, and support stress the importance of **job readiness skills** to support employee: punctuality, teamwork, customer service, conflict resolution, effective communication, critical thinking, and more!

*Services available at **YOUR** site or at one of our two full-service centers:*
