Pee Dee Elementary Summer Reading 2019

Grades K-5

Dear Parents,

We are challenging every student to spend quality time reading during summer vacation! Students should choose **just right** books which are not too easy and not too hard. Students should spend time reading both informational texts (nonfiction) as well as literary texts (fiction).

To help you find a **just right** book, try the following:

The public library is an excellent place to get summer reading materials and they have a great summer reading program as well. You can even count the books you read for their program towards your Honeycomb! We have included a copy of our Book Review form. Please feel free to make copies or create additional forms on notebook paper.

To participate in the Summer Reading program, students should use the attached Honeycomb and fill in each section on the back as you complete the challenge. Younger readers (K-1) can count books that are read with an adult. Students who are going into grades 4 and 5 may also count articles spent reading on *Achieve 3000*. Parents and/or guardians should sign the Honeycomb after completion.

Honeycombs are due on August 23, 2019. You will be able to access the Summer Reading Materials on the Horry County School website throughout the summer.

Have a wonderful summer and Happy Reading!
