The report reviews the progress made on our strategic plan for increasing student learning, the test scores, and the goals to be accomplished during this school year. Aynor Middle School was awarded an "A" rating from the ESEA on PASS and received a Good Absolute Rating and an Average Growth Rating on their school report card for 2013. What is the school improvement council?

Mandated by law, the School Improvement Council (SIC) serves as an advisory group to the AMS principal and faculty. The SIC plays a crucial role in school improvement by bringing together parents, educators, and community stakeholders who work collectively to establish, monitor, and evaluate specific long-range goals (School Renewal Plan) for student achievement. Other duties include producing an annual report to parents which outlines the progress of the plan, and advising on the use of school incentive awards.
