

## **RETURNING STUDENT REGISTRATION FOR SOCASTEE HIGH** **REGISTRATION INFORMATION FOR THE 2022-2023 SCHOOL YEAR**

Below you will find the instructions regarding 2022-2023 School Year Registration for Returning Students to Socastee High School. These instructions are only for those students who are moving up from a feeder middle school (Forestbrook Middle or Socastee Middle) or are currently enrolled in Socastee High School.

1. Go to [www.horrycountyschools.net](http://www.horrycountyschools.net).
2. Click on the PowerSchool Parent Portal icon.
3. Log onto the Parent Portal with your Parent credentials. Note: Students cannot register for the school year with their student logins. If a parent cannot remember their login or is having trouble with their login, please contact the registration department through our email: [SHRegistration@horrycountyschools.net](mailto:SHRegistration@horrycountyschools.net). This is the fastest and most efficient way to get assistance. When emailing, please give us your name, your student's name and date of birth, the login you are having difficulty with, and a daytime phone number where we can reach you.
4. Once you have successfully logged on, the application will open to the Grades and Attendance page. On the left side of the page is the navigation toolbar that contains several icons for other features of PowerSchool. To access 2022-2023 Registration, scroll down to the bottom of the menu to the **2022-2023 Registration** option/icon. **Do not** open the Class Registration option – choosing this option will give you an error message that the school has disabled this feature.
5. Follow the instructions for registering your student for next year.
  - a. Please note the following: If you move between registering for the 2022-2023 school year and the start of the school year, you **must** notify the school of your change of address and provide new proof of residency information. If your move takes you outside of the school district, you must also notify the school so that we can make the necessary adjustments to your student's record and have their records prepared for their new school.
6. Any questions or difficulties with registration may be directed to the registration email address: [SHRegistration@horrycountyschools.net](mailto:SHRegistration@horrycountyschools.net).
