

HCS 2020-21 Hybrid Instructional Model

Horry County Schools

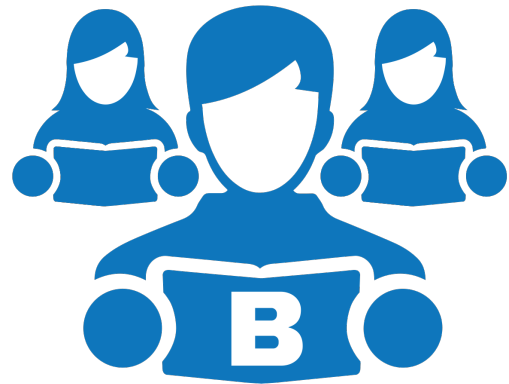

Limited Face-to-Face Instruction During Medium Spread Level.

- Students will participate in a combination of face-to-face and distance learning while practicing enhanced safety and health precautions.
- Students will receive in-person instruction two days a week on assigned days and engage in distance learning on others.
- Students will be placed into groups: Groups A, B, or G. By dividing students into groups, fewer students will be attending school on a given day, and social distancing can be maintained in the classroom and throughout the school.

Students in Group A attend in-person on Mondays and Tuesdays and participate in distance learning on Wednesdays, Thursdays, and Fridays.

Students in Group B attend in-person on Wednesdays and Thursdays and participate in distance learning on Mondays, Tuesdays, and Fridays.

Students in Group G* attend in-person Monday through Thursday and participate in distance learning on Fridays.

*Students in Group G are special populations that have been identified as needing additional instructional support.

* Full-time HCS K-12 Virtual students have been designated as **Group E** in PowerSchool and are still considered a part of their base schools.
