

Below is a checklist to review each morning before your child leaves for school.

If your child presents any one of the symptoms or is awaiting COVID-19 test results, DO NOT SEND HIM/HER TO SCHOOL AND CONTACT THE SCHOOL'S NURSE.

- Chills or fever of 100.4 degrees Fahrenheit or higher (taking temperatures by mouth are recommended)
- New uncontrolled cough that causes difficulty breathing (for students with chronic allergic/asthmatic cough, a change in their cough from baseline)
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea, vomiting, and/or diarrhea
- Awaiting COVID-19 test results

People with COVID-19 have had a wide range of symptoms reported; ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus. Anyone can have mild to severe symptoms. People with these symptoms may have COVID-19.

Visit www.horrycountyschools.net/covid19 for the most current information regarding COVID-19 and Horry County Schools.
