Tiger Family,

We look forward to an awesome week! Please read below for important updates and reminders.

### Important Tiger Links

In an effort to streamline *The Weekly ROAR* and minimize the number of pages shared, many important links have been added to the first page of this document. Please be sure to review this page for quick access to important items!

### Affirmations

An affirmation plays an important role in our thought process. Affirmations are great for motivation, inspiration, and self-talk to help us reach our full potential. Each week a new affirmation will be shared with students. This week's affirmation is below.

*"I am responsible for myself, and I start there."*

### Attendance

Students are allowed 3 unexcused absences in a quarter course, 5 in a semester course, and 10 in a yearlong course. The HCS Attendance Policy outlines procedures for truancy and promotion retention. Please find the HCS Attendance Policy [here](#). Regarding truancy, a student between the ages of 6-17 who misses 3 unexcused consecutive days or 5 unexcused total days within a school year is deemed truant and will be placed on an Attendance Intervention Plan (AIP). Regarding promotion retention, students may not miss over 3 unexcused or unverified class periods in a quarter course, over 5 unexcused or unverified class periods in a semester course, or over 10 total unexcused or unverified class periods in a yearlong course in order to receive credit for the course. The unexcused codes are SC-UNEX, SC-UEPN, and SC-UEDM. Please check PowerSchool consistently to monitor attendance.

To recover seat time, students may attend Tiger Extension, our after-school tutorial program. To recover 1 block (90 minutes), students are required to stay for 1 hour. The tutoring schedule can be found [here](#). Also, students may attend Saturday tutorial sessions. The sessions are held from 9 a.m. to 1 p.m. They should bring assignments to receive assistance. The Saturday dates are below.

- December 2, 9, and 16
- January 6, 13

**Principal-Approved Absences:** Successful completion of high school courses results in the issuance of Carnegie units needed for a high school diploma. Since our high schools and program schools operate on a 4 x 4 block schedule, it is crucial that students miss as few days as possible. **Based on this information, it is not feasible for our secondary schools and program schools to grant principal-approved days effective this year.** Religious-based camps, retreats, trips, and conferences are not excused. Absences due to major religious holidays are excused. Please send notes to the attendance office regarding absences for religious holidays.

### Bell Schedule

Please view our bell schedule [here](#). All students must enter through metal detectors upon entering the building. Therefore, it is important that car riders and student drivers **arrive at school by 7:50 a.m.** to make it to class before the tardy bell, which rings at 8:10 a.m. Also, students will have lunch during 3rd block based on the location of their third block class.

### EOC Dates

All students enrolled in English 2, Biology 1, Algebra 1, Intermediate Algebra, or US History will take a state EOC assessment. It is important that students are prepared for these assessments and do their best! The EOC dates are below.

### Media Center

This is a reminder that the media center is open before school from 7:45 a.m. to 8:05 a.m. and during lunches. Students may visit during these times with a pass from a teacher or administrator.

### My Payments Plus Information

To create an account, please visit [www.mypaymentsplus.com](http://www.mypaymentsplus.com). You will need your student ID. For students that are currently attending the ATA or AAST, the way in which the parent can see the activities for the base school and the program school under their same MPP account, the parent will be required to add their student twice. For the first account, the parent should use their student's ID number. Next, they should add that same student and use the student ID number with a B behind it, which would represent the base school. For example, if the student ID is 12345, the parent should add the student with the account number, 12345, and then add the student with the account number, 12345B. Parents will see all of the base schools events and activities, under the account with the B behind it.

### Safety

All visitors must report to the main office. Please discuss the importance of school safety with your students. The guidelines below should be adhered to at all times:

- Along with the district, we have adopted the "I Love U Guys" Foundation's Standard Response Protocol. The standard response protocol utilizes clear common language for emergency situations. It is important that students and staff familiarize themselves with this protocol. Our standard response protocol can be found [here](#) in English and [here](#) in Spanish. This information was previously emailed by Mr. DiMeglio, our safety coordinator.
- Students are not to open exterior doors for visitors.
- Students should never prop open an exterior door with objects or intentionally leave an exterior door ajar. Exterior doors should be pulled closed and locked at all times, except during transition.
- All safety drills are to be taken seriously. Students should conduct themselves in an orderly fashion and take direction from staff members.

### Senior Administrator

Mrs. Lindy Williams, Senior Administrator, has resigned from her position to pursue another passion. Mrs. Nacacha Johnson, our former graduation coach, will serve as the senior administrator for the remainder of the year. She is located in B108. Her email address is njohnson002@horrycountyschools.net. She can be reached at 843.488.6188. It has been a pleasure working with Mrs. Williams at Conway High School. We want to thank her for the
