PTSO EVENTS

This year the PTSO would like your input and would like to help you with your leadership skills and service hours. Last year we planned events such as treat days, a Halloween Party, Winter Formal, ect. This year we encourage students to be more involved and take on leadership roles in the PTSO. We are seeking participants who would like to plan these activities and possibly add new ideas! The commitment can be long or short term (reoccurring monthly vs annual events) and we can discuss and determine availability. I'd like to meet to organize the planning committees on October 5th after school at 2:30. You do not need to attend evening PTSO meetings. We will guide you through the process, but these are your events! The process will include event planning, to include theme, menu, and decorations if applicable. A budget will need to be prepared and presented to the PTSO and we will need follow through to assist at the event. After the event, we would ask for a follow up evaluation of achievements and suggested improvements. This would be a great leadership opportunity to add to your resume! Again, we are looking to all students. You do not need to be nominated or elected and we will find a role for everyone!! If you are interested in participating but unable to attend on October 5th, send me an email and I will be in touch to find a role that works for you! Also feel free to reach out if you'd like more information! Hope to see you October 5th!

Thanks!
