

STUDENT MEAL INFORMATION

K-12 HCS VIRTUAL PARENTS,

Grab-and-Go style meals will be available for all students participating in the K-12 HCS Virtual Program.

Parents must call their base school's cafeteria each Friday before 10 a.m. to request meals for the following week. Meal pickups will be on Mondays.

The time and location of meal pickups will be determined when your order is placed on Fridays. Each order will include a week's worth of meals (five breakfasts and five lunches).

See the list of school cafeterias and contact information on the [HCS website](#)
