SAT/ACT Prep Sessions

Ms. Rush and Mrs. Zhang will be offering SAT/ACT Prep Sessions on Tuesdays and Thursdays for any students planning to take the SAT on June 1st or ACT on June 9th. 11th grade students are encouraged to take this test and not wait until the fall. Both teachers will also assist during Scholars Station times and during their planning periods. Please schedule times so teachers are prepared.

SCHOLARS STATION EXPECTATIONS

Now that CCU classes are over students will have extra time in Scholars Station. It is our expectation that students work during this time and not be surfing the web, on their phones, or visiting with friends. Students now will have time to finish most assignments within the school day with little outside homework if they manage their time each day. 11th and 12th grade students who want to use the Late Arrival/Early Release privilege need to make sure all paperwork is completed with appropriate signatures. Students are to be reminded they may not leave campus and return within a school day without Administration approval.

BUILDING HOURS

Please remember our building hours are 7:30—3:00. After 3:00 students must be with a teacher for supervision. If students need to stay late, please make pick up arrangements PRIOR to staying. We ask that parents assist us by picking up students in a timely manner.

MATH TUTORING

 [Math Club Scholars Station Tutoring Schedule](#)

LUNCH

TRAILBLAZER
DAILY LUNCH SPECIALS

MONDAY 6/3
Buffalo chicken bites
Regular popcorn chicken
Ham and cheese wrap

Tuesday 6/4

What is Bullying?

“Harassment, intimidation or bullying means a gesture, an electronic communication, or a written, verbal, physical, or symbolic act that is reasonably perceived to have the effect of harassing a student physically or emotionally or managing a student’s property or placing a student in reasonable fear, damaging a student or group of students causing substantial disruption in, or substantial interference with, the orderly operation of the school.”

—As defined by the South Carolina Safe Schools Climate Act, Section 59-63-120

“Unwanted, aggressive behavior that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.”

—As defined by stopbullying.gov

Horry County Schools is committed to providing a safe and healthy environment for students and staff members. Neither accepted nor tolerated. We believe that a safe and supportive school environment can help prevent bullying behaviors. We must openly communicate expectations for student behavior as it relates to bullying, and then we must appropriately deal with those who violate those expectations. Likewise, we must provide appropriate support to those who are victims of bullying.

Our Bully Prevention online resources will help you understand the roles and responsibilities of the District and its schools, with helpful resources for parents and students. The South Carolina Safe Schools Climate Act requires public schools to take steps to prevent school harassment, intimidation, or bullying. The Act requires each district to accept prevention policies and provide training for all persons who work in public schools.

How Do I Report Bullying?

Anyone can report bullying. Students who experience bullying, or those who observe bullying, are encouraged to tell an adult who can help. Parents are encouraged to contact the school principal or assistant principal if they have concerns that their child, or another child, has been subjected to bullying in any form.

Horry County Schools takes bullying very seriously and will investigate all reports thoroughly. Appropriate disciplinary action will be taken if an investigation determines that a student, or group of students, have engaged in bullying incidents. Additionally, the District will involve local law enforcement, as needed, to assist with the investigation and to determine if a crime has occurred.

If parents continue to have concerns after making a report at the school level and after the school has been afforded time to conduct an investigation, a written complaint may be submitted to Horry County Schools’ Executive Director of Student Affairs for further review.

NoBullies@HorryCountySchools.net

Anonymous reports can be made at any time by calling the School Office to District: (843) 915-5805 (7767) or by accessing the reporting tools on the HCS website or mobile app.

If parents feel they are not getting a prompt response to their concerns from the Office of Student Affairs, they may contact the Office of the Commissioner of the South Carolina Department of Education for assistance in tracking the investigation. The SCDE’s involvement does not take sides in the investigation, but it does assist with appropriate action regarding the district’s adherence to defined policies and appeal procedures.

BENEFITING

Every student who
wants to earn high
PSAT/SAT scores!

Hi Nmoqueen,

Good at explaining science or math? Want a chance to win a \$250,000 scholarship?

We're proud to partner with the Breakthrough Junior Challenge video contest again this year. Students ages 13 through 18 are invited to create a short—under three minutes—video explaining a challenging concept in physics, mathematics, or the life sciences in an engaging, illuminating, and creative way.

If you win, you'll receive the \$250,000 college scholarship, your teacher will receive a \$50,000 prize, and your school will get a new \$100,000 science lab!

For more details check out the official launch video for this year's Breakthrough Junior Challenge:

[View video](#)

Fast Breakthrough Junior Challenge winners' videos have collectively been viewed over six million times, teaching a global audience about science and math in the winners' individual voices. In fact, the finalist videos from last year were so good you can find them on our Khan Academy website [here](#).

The winner will be presented their award on the live, globally televised [Breakthrough Prize ceremony](#) on National Geographic, Facebook, and YouTube, where they'll also meet with world leaders in science, technology, academia, business, and entertainment.

Good luck—we can't wait to see your video!

Onward,

Sal and the Khan Academy team

P.S. The deadline for submission is June 15, 2019, so register today at www.breakthroughjuniorchallenge.org

Camp Millionaire: Financial Life Skills *Age 12-18* If you want to learn how to become a millionaire, this is the program for you. Building entrepreneurs will learn the fundamentals of the business industry, including setting up bank accounts, saving money, finance, understanding budgets, and credit cards. The next big success story starts here! Two classes. \$109 each.

Age 12-17

Students engaged in these sessions report a 50-250 SAT score increase and a 2-6 point ACT gain. \$250

****Dates and times to be announced****

COMMUNITY SERVICE

PROOF READING AVAILABLE

For this years Community Service, Creative Writing Club has decided to proof read papers for the members who are a little behind on community service. Each member will receive one hour for each writer they assist, with the supervision of myself and Ms Rush. They WILL NOT write papers for students, simply proofread grammar mistakes and point out sentences that could be stronger. All a student needs to do is simply give a paper copy of their paper to Ms Rush, and she will pass it along to a member of the club. Please label your paper or outline with both your name and "CREATIVE WRITING PROOFREAD" at the top. Again, this is proofreading, not writing. We will return the students paper ASAP, or they can talk to Ms Rush or myself about scheduling a time during Scholars Station or lunch to discuss their paper instead. Also, we understand there are certain rules regarding AP Capstone work, so the members will not be allowed to proofread those.

HONOR CODE PLEDGE

As a student who has chosen to attend Scholars Academy, I understand that I belong to a community of learners dedicated to the pursuit of academic excellence and personal integrity.

I accept my responsibility to promote academic honesty and pledge all materials submitted under my name are my work. I promise to uphold the Scholars Academy Honor Code and I will foster an atmosphere of integrity. As a member of the Scholars Academy community, I will not participate in or tolerate academic dishonesty.
