

Myrtle Beach High School opens

Registration for Returning Students for the 2021-2022 school year on **May 3rd**. Please complete the registration by going to your parent portal from the *horrycountyschools.net* website.

When you open up your portal, look for the button on the left hand side that says 2021-2022 Registration. This will pull up information on your student for you to edit or verify that it is correct and remains the same. This is very important so that we may have up to date information for the following school year. This needs to be completed for each student that you have in Horry County Schools. If you do not have a parent portal, please email wbernstein@horrycountyschools.net or adebeaugrine@horrycountyschools.net.

Please help us to achieve our goal of **100%** and register your student today!

Change in Address

If you have moved and have a new address for the 2021-2022 school year, please send in or email a proof of residence to the emails above. The proof of residence must be a utility bill, like an electric or water bill or a lease agreement with a service address, correct name(s), and current date.

**** Myrtle Beach HS is a Category 1 Red Zone school which means if your address does not reflect our attendance zone, you will be asked to register at your zoned school.**
