

Go For Reading Gold

Complete each medal to earn incentives! The more medals you earn the more incentives you will receive! We have to wait until we return to school to know what those incentives will look like, but in the past we have had recognition on the morning show, certificates, homework passes, ice cream treat, and pizza. This year we will work hard to have awesome incentives in a safe way- maybe some extra recess!

Go For Reading Gold

Parents and Students,

It is hard to believe that summer is here! Once again we would like to help prevent the “summer slide” from occurring while we are away from school. We are once again striving to “Go For Reading Gold!” Students are encouraged to read books from 5 different genres over the summer. This year we have changed up the genres to gain exposure and interest to these new areas. These genres are: Graphic Novel, Historical Fiction, Realistic Fiction, Adventure, and Nonfiction.

Students will log their progress on the “Go For Reading Gold” log sheet or use the QR code below and turn it in upon returning to school for the 2021-22 school year. The log sheet must be completed correctly in order to be counted. Be sure to read the directions carefully. Any incomplete or incorrect log sheets will not be accepted. This year we have included a digital option for completing the form for those wishing to stay paper-free. Please use the QR code link to enter EACH genre for credit You can also find the form here: <https://forms.gle/B46WEMyJucRsfjv9> . All books logged must be within the student’s Lexile/reading level range. A guideline of typical Lexile level at each grade level is found in the chart below.

If you need help identifying a book’s Lexile level, you can visit <https://lexile.com> to check the level. Should you have additional questions about your child’s reading level, you may want to contact their teacher.

You will find links to the summer reading log and information on Lakewood’s website as well as the HCS website. If you have questions or need assistance, please email either kcarr@horrycountyschools.net or agordon@horrycountyschools.net .

We look forward to recognizing all of our medal winners at the start of school next year!

Happy Summer Reading...
