

Greetings,

Black Water Middle School is selling sponsorship advertising for their "Game Day" sports guides for the 2020-2021 season. We would love for you to advertise your business with us. If you don't have a business, you can create your very own ad for an individual player, cheerleader, or a general support ad for the entire team. The guides will be given out at both home and away football games this season (5 games total). Included are examples, ad size and pricing. Any and all support will be greatly appreciated.

EASY AS 1, 2, 3.....

1. Pick an ad size
2. Provide us with a business card or ad design (please send all digital ads to jmartin001@horrycountyschools.net)
3. Make a check out to Black Water Middle School or send cash

Thanks and GO BEARS!!
