Hello all, I'm Coach Tory Grice, a native of Newark, New Jersey. I'm a Special Education Paraprofessional currently at Blackwater Middle School. My family includes my amazing wife and beautiful twin daughters. Since moving to the Conway area in 2003, it has been my pleasure serving in the community with my gifts. For the past 20 years, I've enjoyed being a professional musician and learning new ways to help change the world. I have 10 years of experience in coaching sports. Sports have always been a part of my life, but there is nothing more rewarding than helping people. I like sports but I love people. My job is to use sports as a tool to teach life skills, great character, discipline, and humanity.

Sincerely,

Mr. Tory Grice
