* 2019 Summer Challenge *

This school year, students have learned how to use the computer to access our on-line curriculum programs and to work independently in each program with minimal help. The following computer programs are available to your child throughout the summer months to continue learning.

Some programs may be unavailable at the beginning of August as HCS prepares for the new school year. Access our starred computer programs by going to **www.horrycountyschools.net** and clicking on the **fourth teal circle** (the one with the **puzzle piece** which takes you to your student's Clever screen)**.**

3rd-5th

www.toytheater.com

If you have any questions or problems logging on, feel free to email chickey001@horrycountyschools.net or jbenton001@horrycountyschools.net.

OBE Summer Readers READ to SUCCEED!

For our OBE Summer Reading program, we support our **public library Summer Quest** program! We encourage parents and students to **visit the Carolina Forest public library** and **participate in their weekly programs and activities**.

Research shows that students who log significant minutes reading print and/or digital material over the summer boost their reading growth. Over the 10 weeks of summer, encourage your child to read every day.

To read our eBooks (electronic books) this summer, go directly to https://wbb15122.follettshelf.com/shelf/servlet/presentshelfform.do?site=15122. You can also access our **Follettshelf** through Destiny by going to http://destiny.horrycountyschools.net, selecting *Ocean Bay Elementary,* and clicking on the **Follettshelf** tab. Login using "oes" as the username & password or use your school login (which should also be your Achieve login). To view the eBooks, click Open or Open Book. When you are finished reading the book, click *Follettshelf* in the top left corner and select Close Book. Some of our books open in a new tab, so you close the book by closing the tab.
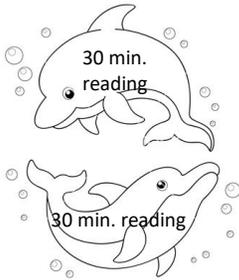

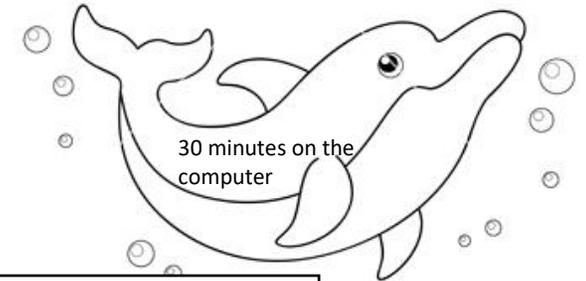

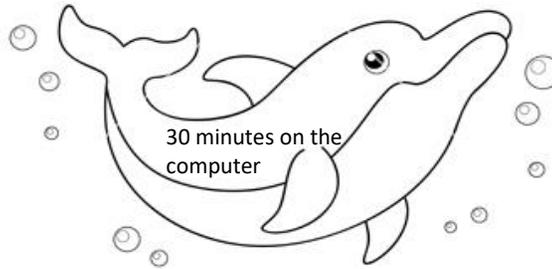

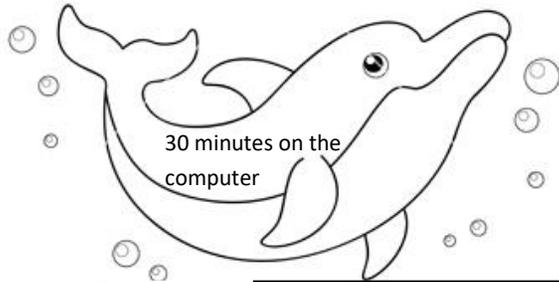

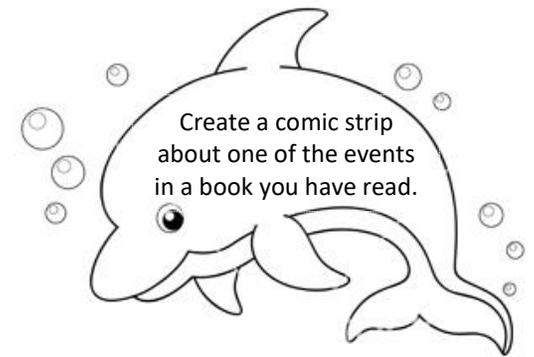

Students who complete at least 5 hours reading and
3 hours on the computer over the summer will get
EXTRA RECESS around the beginning of the school year!

To acknowledge your rising **1st-5th** grade student **read a minimum of 5 hours, sign here:** _____

To acknowledge your rising **1st-5th** grade student completed **3 hours on the computer, sign here:** _____

Return this sheet to Mrs. Hickey's box by the first Friday in **September.**

Student's Name _____
19-20 Teacher's Name _____

Create a diorama in a shoebox to show a scene from a book you read.

Create a new book cover for a book you have read.

Create a comic strip about one of the events in a book you have read.
