September 12, 2017

Dear Senior Parent/Guardian:

This is a very exciting and busy year for you and your child, and we want to share helpful and important information to ensure a successful senior year.

Counselors will hold a **Senior Parent Information Night** on **September 19th** beginning at **5:30pm** in the **auditorium**. During this meeting, we will discuss transcripts, graduation requirements, post-high school options, and other information pertinent to the senior year. All students in the class of 2018 who attend CFHS, as well as their parents, are encouraged to attend on the 19th **OR** email their student's counselor to schedule an appointment for an individual meeting. You are welcome to attend both the information night as well as an individual meeting, but it is not required, as the same information will be covered. If you wish to schedule an individual conference with your child's counselor (counselor caseloads have changed please see below), it would be best to make an appointment during September as important deadlines begin to approach. Conferences may be scheduled between 8:00 AM and 3:00 PM. Please schedule a time when your son/daughter can also attend the meeting (during an elective course, if possible).
