★ All end of year class parties will be held on **Wednesday, June 16th**. CES is providing each class with pizza, chips, and drinks. Do not ask students to bring in any food or drink items. If you have a child that cannot eat pizza, please let Mrs. Hemingway know in advance in order to prepare an alternative for the student.

★ Mrs. Tyler will share the brunch schedule for June 15th. Brunch will be on Tuesday, June 15th and only breakfast served on June 16th because of the class parties.

★ All grades must be entered and stored in Powerschool by 4:00 pm on **Friday, June 11th**. A copy of the report card will be placed in the student's permanent record.

★ If you would please begin to take time each afternoon after dismissal and begin to declutter and organize your storage spaces for summer cleaning. At this time, we have been asked to prepare for the summer and new school year with plexiglass in the classrooms. I will let you know if and when this changes. As you declutter and clean out, please

dispose of the items. If you are uncertain about something purchased with CES funds, please ask me, Mrs. Tyler, Mrs. Boyd, or Mrs. Chanaca. This is to be done after students have left for the day, not during the instructional day.

- ★ CES is a Summer Learning Camp for the Conway area schools and will begin June 22nd for teachers. When leaving on June 17th, please take any personal items of value home with you to avoid any issues and make sure your room is clean and organized for the summer school teacher. All kindergarten, first grade, and second grade classrooms will be used.
- ★ Mrs. Beverly and Mrs. Houlihan will begin collecting ipads from virtual students on Friday, June 11th - Tuesday, June 15th from 8:00 am - 2:00 pm in the front entrance of the school.

**Thank you!**
