

St. James High School PTSO

We are a fun bunch of parents...really!

Our mission is to support our students and our school. We do nice things like feed our teachers a couple of times a year. We also help with events that bring families and the community into our school. This is not elementary school, we're not looking for a lot of volunteer time. If you own a business or know someone who does that would like to support the school, you're the parent for us! If you can spare an hour to set up lunch one day, we'd love to have you!

YOU DO NOT HAVE TO VOLUNTEER TO BE A MEMBER!

We will NOT call you constantly, bully you into helping out, or trash talk the ones who choose not to...PROMISE!!

We meet once a month (this year's schedule TBA) to figure out what to do next. It's a great way to know what's going on in your child's school now that they're at that magical age when they can no longer remember to bring home a flyer. We are looking for some brave folks to chair our leadership, we promise it won't be another full time job!

Thanks for signing up below,
