- Model reading for your child.

Myrtle Beach Elementary School wants our students to be the best they can be. Research shows if students do not read over the course of the summer, they could experience a slide back in their reading achievement. In order to avoid this, we highly encourage our students to read for pleasure during the summer, and we highly encourage parents and students to work together to choose reading materials.

MBE's Summer Reading program provides an opportunity for rising 2<sup>nd</sup> and 3<sup>rd</sup> grade students to read a total of 5 hours (300 minutes) over the summer. Students may choose picture books, chapter books, or online articles from Achieve3000, or a combination of all three.

If a student chooses to read books, he/she should complete the attached Fiction/Nonfiction Graphic Organizer. If a student chooses to read Achieve3000 articles, he/she should complete the attached Achieve3000 Article Response Log. Keep track of minutes spent reading on the attached Time Log.

A "Libraries Rock!" Bingo Sheet is also attached. Students may cross off activities as they complete them. Cross off four in a row and get Bingo!

Please return the attached Parent Acknowledgement slip to Mrs. Campen in the Library Learning Commons by May 31<sup>st</sup>.
